The long anticipated spinoff to the Bad boys series is finally here, the Dark Princess Saga begins with Hatter and Alice's daughter... Rumors abound in Wonderland, of a dark princess named Chrysalis who bears the Moon's curse. Her beauty is beyond compare, and her madness... even greater than her father's, The Hatter. Death follows wherever she roams, and Danika—fairy godmother of all villains—knows this task is too great for her to handle on her own. She has no choice but to seek out the one they call Huntsman, his mission is simple: Find the creature, and destroy it. But nothing is ever so simple in Kingdom. The moment the hunter Aeris steps foot in the mad, twisted realm he's enveloped in a reality that is neither wholly true nor fantasy. The key, the Cheshire explains, to ending the madness is for one to become mad themselves. The Huntsman has one chance to figure out the riddle before the beauty destroys them all...

Editorial Review

About the Author

Marie Hall is a NY TIMES and USA Today bestselling author who loves books that make you think, or feel something. Preferably both. And while she's a total girly girl and loves glitter and rainbows, she's just as happy when she's writing about the dark underbelly of society. Well, if things like zombies, and vampires, and werewolves, and mermaids existed. (Although she has it on good authority that mermaids do in fact exist, because the internet told her so.) She's married to the love of her life, a sexy beast of a caveman who likes to refer to himself as Big Hunk. She has two awesome kids, lives in Hawaii, loves cooking and occasionally has been known to crochet. She also really loves talking about herself in the third person.
