Say You Love Me (Four Week Fiance Series Book 3) By J. S. Cooper

There are some guys you just can't forget.

There are some girls that catch your eye.

There are some guys you just can't say no to.

Cody Brookstone. He's my best friend's brother. I've known him for years. Fancied him for what seems like forever. And of course, he's never noticed me. I've always been his sister Mila's annoying friend, but I'm about to change that. Mila came up with a plan for me to snag him. I'm going to make him mine. One way or another. The plan is fail proof. Well, not really. There are plenty of things that can go wrong. Plenty of ways that my own heart will get broken. But what's the path to true love without some risk?

There are some girls you can't get out of your mind.

There are some guys that can break your heart.

There are some girls that make you rethink everything.

Sally Johnson. My sisters best friend. Sweet, funny, always there. She's got one of those smiles that makes you happy and a body that goes on for days, if you know what I mean. She's crept into my life making me feel things I don't understand. I can't give her what she wants. Even if I love giving her what she needs. Or rather what I need. I didn't expect everything to go crazy. I didn't expect for everything to get out of hand. Now I've gone and got myself in a mess that I don't understand and I can't fix easily. Sally's the one girl that's got me thinking that maybe, just maybe, I don't know it all.
