Taking the Field: Women, Men, and Sports By Michael A. Messner

In the past, when sport simply excluded girls, the equation of males with active athletic power and of females with weakness and passivity seemed to come easily, almost naturally. Now, however, with girlsOCOs and womenOCOs dramatic movement into sport, the process of exclusion has become a bit subtler, a bit more complicated-and yet, as Michael Messner shows us in this provocative book, no less effective. In "Taking the Field," Messner argues that despite profound changes, the world of sport largely retains and continues its longtime conservative role in gender relations. To explore the current paradoxes of gender in sport, Messner identifies and investigates three levels at which the center of sport is constructed: the day-to-day practices of sport participants, the structured rules and hierarchies of sport institutions, and the dominant symbols and belief systems transmitted by the major sports media. Using these insights, he analyzes a moment of gender construction in the lives of four- and five-year-old children at a soccer opening ceremony, the way menOCOs violence is expressed through sport, the interplay of financial interests and dominant menOCOs investment in maintaining the status quo in the face of recent challenges, and the cultural imagery at the core of sport, particularly televised sports. Through these examinations Messner lays bare the practices and ideas that buttress-as well as those that seek to disrupt-the masculine center of sport.a "Taking the Field" exposes the subtle and not-so-subtle ways in which men and women collectively construct gender through their interactions-interactions contextualized in the institutions and symbols of sport."

Editorial Review

Users Review

From reader reviews:

Charles Denzer:

Do you one of people who can't read pleasant if the sentence chained within the straightway, hold on guys this specific aren't like that. This Taking the Field: Women, Men, and Sports book is readable simply by you who hate those straight word style. You will find the facts here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to supply to you. The writer of Taking the Field: Women, Men, and Sports content conveys the idea easily to understand by many individuals. The printed and e-book are not different in the content material but it just different by means of it. So , do you even now thinking Taking the Field: Women, Men, and Sports is not loveable to be your top checklist reading book?

Charlie Smith:

Reading a e-book tends to be new life style in this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Having book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some analysis before they write on their book. One of them is this Taking the Field: Women, Men, and Sports.

Vicki Escalante:

People live in this new day time of lifestyle always try and and must have the spare time or they will get lot of stress from both daily life and work. So , if we ask do people have spare time, we will say absolutely sure. People is human not really a huge robot. Then we inquire again, what kind of activity have you got when the spare time coming to you actually of course your answer will unlimited right. Then do you try this one, reading books. It can be your alternative inside spending your spare time, typically the book you have read will be Taking the Field: Women, Men, and Sports.

Beverly Thomas:

A lot of reserve has printed but it differs from the others. You can get it by net on social media. You can choose the best book for you, science, comedy, novel, or whatever by simply searching from it. It is referred to as of book Taking the Field: Women, Men, and Sports. You can include your knowledge by it. Without

making the printed book, it may add your knowledge and make anyone happier to read. It is most essential that, you must aware about guide. It can bring you from one location to other place.
