The Essence of Truth: On Plato's Cave Allegory and Theaetetus (Impacts)

By Martin Heidegger

The Essence of Truth must count as one of Heidegger's most important works, for nowhere else does he give a comparably thorough explanation of what is arguably the most fundamental and abiding theme of his entire philosophy, namely the difference between truth as the "unhiddenness of beings" and truth as the "correctness of propositions". For Heidegger, it is by neglecting the former primordial concept of truth in favor of the latter derivative concept that Western philosophy, beginning already with Plato, took off on its "metaphysical" course towards the bankruptcy of the present day.

This first ever translation into English consists of a lecture course delivered by Heidegger at the University of Freiburg in 1931-32. Part One of the course provides a detailed analysis of Plato's allegory of the cave in the Republic, while Part Two gives a detailed exegesis and interpretation of a central section of Plato's Theaetetus, and is essential for the full understanding of his later well-known essay Plato's Doctrine of Truth. As always with Heidegger's writings on the Greeks, the point of his interpretative method is to bring to light the original meaning of philosophical concepts, especially to free up these concepts to their intrinsic power.

Editorial Review

Review

“Finally a short note on the book. Ted Sadler’s writing is an example to the general reader of how to read philosophical texts slowly, as one reads poems, of the encounter with ‘the art of going slowly [following] Heidegger’s conviction that philosophy, genuinely undertaken and carried through, subverts the impatient “hunger for results” so characteristic of the modern age’ [x-xi]. Within the world of scholarship this is a classic that will certainly stimulate any future discussion, but on Heidegger’s terms.” –Francesco Tampoia, *Philosophy in Review/ Comptes Rendus Philosophiques*, January 2004-June 2004

About the Author

Martin Heidegger (1889-1976) is regarded as one of the twentieth century's most important philosophers.

Users Review

From reader reviews:

Richard Dutton:

Book will be written, printed, or created for everything. You can recognize everything you want by a book. Book has a different type. To be sure that book is important thing to bring us around the world. Adjacent to that you can your reading expertise was fluently. A publication *The Essence of Truth: On Plato's Cave Allegory and Theaetetus (Impacts)* will make you to possibly be smarter. You can feel considerably more confidence if you can know about everything. But some of you think this open or reading a book make you bored. It is far from make you fun. Why they could be thought like that? Have you searching for best book or appropriate book with you?

Effie Peoples:

Often the book *The Essence of Truth: On Plato's Cave Allegory and Theaetetus (Impacts)* has a lot of information on it. So when you read this book you can get a lot of help. The book was compiled by the very famous author. Mcdougal makes some research prior to write this book. This particular book very easy to read you may get the point easily after reading this article book.

Wendy Hartnett:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many issue for the book? But almost any people feel that they enjoy regarding reading. Some people likes reading, not only science book but in addition novel and *The Essence of Truth: On Plato's Cave Allegory and Theaetetus (Impacts)* as well as others sources were given understanding for you. After you know how the truly great a book, you feel would like to read more and more. Science e-book was created for teacher or maybe students especially. Those books are helping them to put their knowledge. In some other

case, beside science e-book, any other book likes The Essence of Truth: On Plato's Cave Allegory and Theaetetus (Impacts) to make your spare time a lot more colorful. Many types of book like this one.

Pearl Minjares:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Essence of Truth: On Plato's Cave Allegory and Theaetetus (Impacts) can make you really feel more interested to read.
