In love we find out who we want to be.

In war we find out who we are.

FRANCE, 1939

In the quiet village of Carriveau, Vianne Mauriac says goodbye to her husband, Antoine, as he heads for the Front. She doesn't believe that the Nazis will invade France...but invade they do, in droves of marching soldiers, in caravans of trucks and tanks, in planes that fill the skies and drop bombs upon the innocent. When a German captain requisitions Vianne's home, she and her daughter must live with the enemy or lose everything. Without food or money or hope, as danger escalates all around them, she is forced to make one impossible choice after another to keep her family alive.

Vianne's sister, Isabelle, is a rebellious eighteen-year-old girl, searching for purpose with all the reckless passion of youth. While thousands of Parisians march into the unknown terrors of war, she meets G etan, a partisan who believes the French can fight the Nazis from within France, and she falls in love as only the young can...completely. But when he betrays her, Isabelle joins the Resistance and never looks back, risking her life time and again to save others.

With courage, grace and powerful insight, bestselling author Kristin Hannah captures the epic panorama of WWII and illuminates an intimate part of history seldom seen: the women's war. The Nightingale tells the stories of two sisters, separated by years and experience, by ideals, passion and circumstance, each embarking on her own dangerous path toward survival, love, and freedom in German-occupied, war-torn France--a heartbreakingly beautiful novel that celebrates the resilience of the human spirit and the durability of women. It is a novel for everyone, a novel for a lifetime.

"I loved Kristin Hannah's *The Nightingale*. She has captured a particular slice of French life during World War II with wonderful details and drama. But what I loved most about the novel was the relationship between the two sisters and Hannah's exploration of what we do in moments of great challenge. Do we rise to the occasion or fail? Are we heroes or cowards? Are we loyal to the people we love most or do we betray them? Hannah explores these questions with probing finesse and great heart."—Lisa See, #1 *New York Times* bestseller author of *Snow Flower and the Secret Fan*

"In this epic novel, set in France in World War II, two sisters who live in a small village find themselves estranged when they disagree about the imminent threat of occupation. Separated by principles and temperament, each must find her own way forward as she faces moral questions and life-or-death choices. Haunting, action-packed, and compelling."—Christina Baker Kline, #1 *New York Times* bestselling author of *Orphan Train*

"I read *The Nightingale* in one sitting, completely transported to wartime France, completely forgetting where I was. A historical novel—built on Kristin Hannah's proven skill with story, complex and enduring family ties, and passion—one that will captivate readers." —Marilyn Dahl, Shelf Awareness

"I found *The Nightingale* absolutely riveting! I started reading it one night after supper with every intention of reading just a few chapters for that evening and could not put it down. Not only is it an emotionally inspiring story with well-drawn characters whom you grow to care about deeply, but it is also historically informative....Read this book. It will keep you guessing throughout about the two sisters, Vianne and Isabelle, both brave young women who did what they thought was the right thing to do in the most of difficult circumstances. They had—in the words of Lawrence Langer the WW2 historian scholar—too often to make 'choiceless choices.'" —Dr. Miriam Klein Kassenoff, Director of the University of Miami Holocaust Teacher Institute

"A beautifully written and richly evocative examination of life, love, and the ravages of war, and the different ways people react to unthinkable situations—not to mention the terrible and mounting toll of keeping secrets. This powerhouse of a story is equally packed with action and emotion, and is sure to be another major hit." —Sara Gruen, #1 *New York Times* bestselling author of *Water for Elephants*
