Wait till you meet Harry and Plum...

Frederica Pelham, affectionately known as Plum, spent years avoiding the scandals of her past, and is desperate for quiet security and a chance to make a family. What she finds is a titled husband and five little devils who seem bent on their own destruction, not to mention hers. And while all kinds of secrets are catching up with them, Plum knows the real trouble with Harry... is that he's stolen her heart.

Editorial Review

Review

"This is a romp in the truest sense. It's great to have an older couple (he's 45 and she's 40) finding happiness after tragedy. The memorable characters, witty dialogue and suspense make this a book well worth reading. MacAlister's unique style makes her an author to watch." ---RT Book Reviews
