Trading for a Living (4 Books in 1): Jesse Livermore, Richard Wyckoff, Trading Essentials, and Secrets of Trading Performance By Frank Marshall

Foundation for Professional Trading

The Best Trading Lessons of Jesse Livermore

The Expert Trader: 93 Trading Lessons of Richard Wyckoff

Trading Essentials: How to Cut Your Learning Curve

Secrets of Trading Performance: 10 Questions that Immediately Improve Your Trading Results

The aim of *Trading for a Living* is to give you a foundation in the methods, the techniques, and the thinking of professional traders. The first two books are about the trading methods of Jesse Livermore and Richard Wyckoff, two market legends. The other two books are focused on enhancing your trading performance through rapid development of psychological and technical skills. The materials put you well on your way to trading for a living, stirring you in the right directions whether you trade FOREX, stocks, or futures.

Though you could acquire these books one by one, this volume makes it easier (and less expensive) for interested traders to get the entire collection in one go and have it in one place for a handy reference and convenient reading.

Enjoy!
