By John Rosenberg

**Revised and updated Second Edition.**

Unlock the ancient Jewish secrets to becoming rich.

Have you ever wondered why so many of the world's richest 1% are Jewish?

Jewish people make up only 0.2% of the world's population, and yet more than a third of the individuals who make up the annual Forbes 400 list are Jewish. But this is no coincidence.

For centuries the Jewish community has been a beacon for financial prosperity and the amassing of substantial, staggering fortunes. Why is this so?

Because those of the Jewish faith adhere to a series of ancient principles that are infinitely valuable in the wisdom that they hold.

In *Unlocking Wealth the Jewish Way: The Ancient Secrets to Becoming Rich* the genius and wisdom of these secrets is detailed and explained, showing you how to apply them to your life in order to become as rich as you want to be.

You do not need to be a member of the Jewish faith in order to use these secrets, you simply need to follow the same financial principles that they use - and they are outlined here in detail.
