## Adult Psychopathology and Diagnosis From Wiley

### Proven Classic Updated to Reflect the DSM-5

The accessible format, overview chapters on broader issues—such as interviewing—that affect all diagnoses, and case study approach provide the ideal support for students to examine and understand how diagnoses are reached and applied.

Updated to reflect the latest neurobiological advancements in psychopathology, this edition follows the same proven chapter structure for the disorder chapters of previous editions to facilitate readers' understanding and learning. Updates include topics such as:

- The new Schizophrenic Spectrum designation and other psychotic disorders
- The revised approach to eating disorders
- An alternative DSM-5 Model for personality disorders
- Conditions considered unsettled in the latest update

Encompassing the most current research in the field, *Adult Psychopathology and Diagnosis, Seventh Edition* provides a thorough introduction to our current conceptualization of psychopathology and its application in clinical practice, including dimensional and categorical classifications.

## Editorial Review

From the Back Cover

### Reflecting *DSM-5* definitions and criteria, the most up-to-date coverage of adult psychopathology

Like its predecessors, this edition of *Adult Psychopathology and Diagnosis* presents a balanced integration of empirical data and diagnostic criteria, resulting in a comprehensive understanding of diagnosis. It has been revised to include the most current research in psychopathology, capturing both major changes to the field and nuanced findings that affect clinical practice.

*Adult Psychopathology* provides detailed coverage of 16 disorder categories, including:

- Full coverage of the updated *DSM-5* Schizophrenic Spectrum and Eating Disorders classifications
- Three new chapters covering anxiety and related disorders
- Comprehensive overview of fundamental topics, including dimensional versus categorical classification, dual diagnosis, and diagnostic interviews
- Case studies and chapter summaries to facilitate learning
- Structured chapters for easily accessing prognosis, assessment, and etiological information
