Amethyst Tears (Luminescence Trilogy Book 2) By J.L. Weil

Lukas is alive.

I'm talking in the flesh, and he is just as dreamy as ever.

Problem is I haven't told Gavin. There are just no words to tell someone that your dreams... really aren't just dreams. And I'm a sucky liar. When the two actually met, it's a freaking disaster. Like fists flying, magic swirling and tempers flaring.

Ugh. Boys.

But Lukas and I have something in common, other than sharing dreams. Our magic has similar signatures. Nobody knows what that means. And as much as I know that it kills Gavin, Lukas is helping me control it.

The more I use my magic, the more trouble seems to find me. Loads of it. Turns out my magic might just be more dangerous than anyone bargained for.

But mostly I'm scared that my worst nightmare might come true. I will hurt someone I love.
