Digimon By Dark Horse Comics

Enter the world of Digimon comics, based on the smash-hit animated series from Fox Kids! A group of seven children at summer camp accidentally discover mysterious digital devices that transport the kids to the Digiworld -- a strange, wondrous land populated by fantastic digital monsters, or Digimon! Some Digimon are friendly, some not so friendly, but the castaway kids are befriended by seven small Digimon who have the ability to evolve into more powerful forms to help protect their human pals and the Digiworld from mysterious dark forces bent on turning all Digimon to evil! Kids worldwide are going wild for Digimon cartoons, toys, and games, and the momentum is still building! When it comes to action and adventure, Digimon is the champion!

Editorial Review

Users Review

From reader reviews:

Hector Hartung:

Information is provisions for those to get better life, information today can get by anyone on everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is in the former life are challenging to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Digimon as your daily resource information.

Michael Banks:

The reserve untitled Digimon is the book that recommended to you to study. You can see the quality of the e-book content that will be shown to you actually. The language that author use to explained their way of doing something is easily to understand. The article author was did a lot of analysis when write the book, so the information that they share to your account is absolutely accurate. You also might get the e-book of Digimon from the publisher to make you a lot more enjoy free time.

Rodney Richardson:

Your reading sixth sense will not betray anyone, why because this Digimon book written by well-known writer we are excited for well how to make book that can be understand by anyone who also read the book. Written throughout good manner for you, dripping every ideas and writing skill only for eliminate your personal hunger then you still doubt Digimon as good book not merely by the cover but also from the content. This is one book that can break don't ascertain book by its handle, so do you still needing a different sixth sense to pick this kind of!? Oh come on your examining sixth sense already said so why you have to listening to an additional sixth sense.

Ronnie Johnson:

That publication can make you to feel relax. That book Digimon was bright colored and of course has pictures on there. As we know that book Digimon has many kinds or genre. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and feel that you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading which.
