**Reluctantly Royal (The Royal Series Book 3) By Nichole Chase**

Maxwell Jameson Trevor, prince of Lilaria, hates his royal role. Despising the limelight, he takes solace in his art studio and steers clear of any drama. But when one of the newly discovered royals passes away, Maxwell's brother Alex asks him to break the news to the old man's granddaughter. Though he hates to be the bearer of doom and gloom, he doesn't want the poor girl to find out from the tabloids. For Maxwell knows all too well how devastating that could be.

Coming from a broken home and modest background, newly ordained Lady Meredith Thysmer has seized her chance to make a better life for herself and her son. She's not afraid to use her best assets to get what she wants. But when the unpretentious yet devastatingly handsome Max delivers his news, her plans for the future come crashing to a halt. In the challenging days ahead, Max's compassion, humor, and steadfast loyalty to Meredith and her son win her over. She quickly finds herself doing something she swore would never happen again: falling in love. And yet Maxwell still refuses to completely drop his guard. Somehow Meredith's got to find a way to seduce this reluctant royal.
