TAKE ME HARD Compilation #1 is a bundle of three erotic romance BDSM stories totaling 37,600 words. (These stories are also available as singles.)

Short Summary:

Ride Me Hard (7,600 words)--A sexy reunion after two years apart yields unexpected results.

Love Me Hard (9,000 words)--A repressed submissive is forced to share a secluded cabin with a mysterious, dominant stranger.

Use Me Hard (21,000 words)--Never insult a rich playboy who has a room full of whips and a heart of stone.

Detailed Summary:

Ride Me Hard--Tina has always wanted a man to sexually dominate her, using her for his own pleasure. When her long-distance boyfriend returns home with ropes and nipple clamps, she has the chance to live out her submission fantasies. Her boyfriend has ideas of his own, however, and he's clearly done this before...

Love Me Hard--When Rachel hikes into the mountains for a weekend away from everyone and everything, she never imagines she'll be sharing a cabin with one of the hottest, richest men in the country. Maxwell is a gentleman, charming and kind. He's also a perceptive Dom, and to her humiliation, he notices Rachel's arousal. Soon she finds herself stripped, serving the handsome stranger's pleasure while she tells herself--and him--that it's just for one night.

Use Me Hard--Even before Alyssa meets Eric at Maxwell's party, she knows all about him. That he likes to tie up submissives, that he has a dungeon somewhere and that he breaks more hearts in three months than most guys do their whole lives. As far as she's concerned, Eric is just another rich playboy, and Alyssa knows men like him are good for one thing: nothing!

When Eric overhears her claiming that he can't possibly be good in bed, he challenges her to prove it--one week, no sex until she begs for it. Instead of slapping him, she accepts. She can't pass up the opportunity to make him publicly admit that he's clueless about women.

If he wins ... but he couldn't possibly win. Could he?

These BDSM romances contain explicit sexual content and graphic language that may be objectionable to some readers. For adults only.
