## **The Anatomy of PEACE** By The Arbinger Institute

Arbinger 's materials educate people about the problem of self-deception, and Arbinger 's methodologies help people to overcome it. In the words of an early reviewer of The Anatomy of Peace, "Arbinger helps people to see in a different way - to see problems differently, conflicts differently, challenges differently, opportunities differently, each other differently." To which another added, "I know of no tool or way of thinking that contributes so masterfully to real, lasting peace - in families, organizations, communities, and nations."

## **Editorial Review**

From [AudioFile](#)

When Lou Herbert enrolls his son in a program to treat drug addiction, it's Lou who gets a lesson in human behavior. The Arbinger Institute's goal is to spread its message--that self-deception is the root of conflict at all levels--through fiction. Oliver Wyman creates characters well, while giving the parable a broad reading that makes its points obvious. Listeners who are curious about the Institute's efforts to promote peace will be interested and engaged, although covering "all aspects of life" within a group discussion setting makes for less believable discourse. Even so, listeners could pick up a few pointers about human nature and how conflict grows and spreads, whether between people or between nations. J.A.S. © AudioFile 2008, Portland, Maine

### **About the Author**

Arbinger is composed of people who have been trained in business, law, economics, philosophy, the family, education, coaching, and psychology. They come from diverse cultural backgrounds and from all religious and nonreligious traditions and belief systems. What they share is a deep understanding and passion for the ideas underlying Arbinger's work—a compelling model of human understanding that offers people a common language with which to talk about and settle their differences, whatever their cultures, races, classes, religions, and beliefs

### **Review**

"Profound in depth yet simple in message -- an astounding work of immense impact, both personally and professionally. This is the next major lever in terms of how organizations improve performance." --Nick Jessett, program manager, Rolls-Royce

"A powerful work that has a profound impact on all things personal and professional. It illustrates that the path to peace and to the resolution of our most troubling conflicts requires not only different actions but a different way of being. Even better, it shows you how to get there. It is a book I will share widely and return to again and again." --Laura Whitworth, cofounder, the Bigger Game Company and the Coaches Training Institute

"*The Anatomy of Peace* is one of those rare works that somehow finds its way into the heart. Before you know it you will be emotionally invested in the same process as the characters in this story. Be prepared to be at once challenged, moved, and called forth to become the person you know you should be." --Mike Bundrant, publisher, *Healthy Times Magazine*

"A stunning work of wisdom and insight . . . Everyone, from neighbors to the heads of nations, ought to read and live the teachings of this book." --Kent Murdock, president and CEO, O. C. Tanner

"Oliver Wyman creates characters well, while giving the parable a broad reading that makes its points obvious. Listeners who are curious about the Institute's efforts to promote peace will be interested and engaged." --*AudioFile*

## **Users Review**

**From reader reviews:**

**Sandra Jordon:**
