Editorial Review

Review

"While I don't normally read historical, The Awakening of Ivy Leavold has been **one of the best alpha billionaire books I've come across to date**. With fluid language and gorgeous imagery, the story is fraught with **tension**, and the level of **sensuality** that Simone brings to this time period takes a very talented writer. While the characters and mood are reminiscent of *Jane Eyre*, the sexual situations bring to mind Anne Rice's *Claiming of Sleeping Beauty*. I'm anxiously waiting to see what's next from this debut author." -- **NYT and USA Today Bestselling Author Laurelin Paige**

"Sierra Simone twists an intriguing mystery inside a **white hot love story**. Bravo! This contemporary girl is now **hooked on historical romance!**" -- **USA Today Bestselling author CD Reiss**

"If you're thinking 'Historical?'...Don't. Good stories and writing are **timeless**, and if you're nervous about that, this reads almost like a contemporary...She made a historical romance read like a very modern book. **The sexy hotness, well...OFF THE CHARTS!!** Raw, controlling, animalistic, tabooish. **Leaves you breathless.**" -- **Dirty Laundry Review**

"I love that Sierra Simone gave us **delicious sex** and an intriguing plot; both kept me wanting more. **Her writing is flawless**, every word a tease that left me begging for more. 5 Stars!" -- **The Literary Gossip**
