### The Forgotten Soldier By Guy Sajer

This book recounts the horror of World War II on the eastern front, as seen through the eyes of a teenaged German soldier. At first an exciting adventure, young Guy Sajer's war becomes, as the German invasion falters in the icy vastness of the Ukraine, a simple, desperate struggle for survival against cold, hunger, and above all the terrifying Soviet artillery. As a member of the elite Gross Deutschland Division, he fought in all the great battles from Kursk to Kharkov. His German footsoldier's perspective makes *The Forgotten Soldier* a unique war memoir, the book that the *Christian Science Monitor* said "may well be the book about World War II which has been so long awaited." Now it has been handsomely republished as a hardcover containing fifty rare German combat photos of life and death at the eastern front. The photos of troops battling through snow, mud, burned villages, and rubble-strewn cities depict the hardships and destructiveness of war. Many are originally from the private collections of German soldiers and have never been published before. This volume is a deluxe edition of a true classic.

### Editorial Review

#### Review

“Sajer is blunt in explaining his reason for sharing his experiences: ‘to reanimate, with all the intensity I can summon, those distant cries from the slaughterhouse.’ He succeeds in doing just that. . . . This book will remain relevant because it explores the psychology of the soldier at war.”

“May well be accorded equal respect with *War and Peace* as the masterpiece reporting war’s reality.”

“I don’t think that anyone who reads [it] to the end will ever forget it.”

“May be the book about World War II which has been so long awaited.”

“A work of soul.”

“Eloquent . . . powerful . . . Critics have likened it to *All Quiet on the Western Front*.”

“Transcends language and nationality to address the human race.”

“Few memoirs can compare with this work in range of feeling, depths of self-analysis, or vivid recounting of combat. This exception book is highly recommended.”

“Must be read. . . . An enduring indictment of the evil of war and what it does to man.”

#### Language Notes

Text: English (translation)

Original Language: French

Guy Sajer served in Germany’s Gross Deutschland Division during World War II.

### Users Review

#### From reader reviews:

##### Rose Warfield:

The particular book The Forgotten Soldier has a lot details on it. So when you make sure to read this book you can get a lot of benefit. The book was authored by the very famous author. The writer makes some research previous to write this book. This particular book very easy to read you can find the point easily after reading this book.

**Carl Carrillo:**

You may spend your free time to study this book this e-book. This The Forgotten Soldier is simple bringing you can read it in the park, in the beach, train along with soon. If you did not include much space to bring the printed book, you can buy typically the e-book. It is make you easier to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

**Angela Harris:**

Beside this The Forgotten Soldier in your phone, it may give you a way to get more close to the new knowledge or facts. The information and the knowledge you can got here is fresh from the oven so don't end up being worry if you feel like an outdated people live in narrow community. It is good thing to have The Forgotten Soldier because this book offers to your account readable information. Do you occasionally have book but you seldom get what it's about. Oh come on, that won't happen if you have this inside your hand. The Enjoyable arrangement here cannot be questionable, just like treasuring beautiful island. So do you still want to miss this? Find this book and also read it from now!

**Arthur Faust:**

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Forgotten Soldier can make you sense more interested to read.
