Editorial Review

About the Author

Sky Nite is the Founder and CEO of New Dimension VR, a member of the International Game Developers Association, and an avid participant in virtual reality and game development groups around the San Francisco Bay Area such as Silicon Valley Virtual Reality (SVVR), San Francisco Virtual Reality (SFVR), Game Development Art and Tech SF, Oculus Rift and Virtual Reality, and Indie Game Developers of Silicon Valley. He also spent three years at the University of California: Berkeley studying writing, thinking, and entrepreneurship before unofficially graduating. Sky is working to increase global cooperation through the creation of media that expands peoples' paradigms. His company, New Dimension Entertainment, is building the future of storytelling by combining the deep narrative of movies with the interactivity of games and the presence of VR. If you are interested in getting involved or finding out more, please visit newdimensionvr.com or send an email to vrinsider@gmail.com. If you have any corrections or feedback for this book, feel free to contact that email as well. You can follow Sky on Twitter @VRinsider.

Users Review

From reader reviews:

Carol Frazier:

In this 21st centuries, people become competitive in every single way. By being competitive at this point, people have do something to make these survives, being in the middle of typically the crowded place and notice by means of surrounding.
