## Women's Infidelity: Living In Limbo: What Women Really Mean When They Say "I'm Not Happy" By Michelle Langley

Is infidelity women's best kept secret? Given that women initiate 70 to 75% of all divorces, is this secret the catalyst that prompts them to pursue separations and divorces, many under the guise of "searching for self?" How many of these women were happily married prior to their affairs? Are men being divorced by their wives without ever knowing about their wives' extramarital sexual relationships? Women's Infidelity discusses these and other wide-ranging, but interrelated, topics that help explain the difficulty women have with marriage and long-term fidelity.
