Editorial Review

From the Inside Flap

With an average of \$4.3 trillion exchanged per day, the Foreign Exchange (Forex) market is the largest and the most actively traded market in the world. Countless money-making opportunities abound in the Forex market every day for savvy traders equipped with the right knowledge and tools. But how does an amateur investor take advantage of these opportunities to earn high returns? This book provides a comprehensive solution to this question by arming you with the same knowledge and tools that these savvy Forex traders have.

Written by Mario Singh, head of the prestigious FX1 Academy, the largest Forex education firm in the Far East, *17 Proven Currency Trading Strategies* is a plain-English guide designed for anyone—from beginners to professionals, and everyone in between—looking to quickly master the knowledge and skills needed to win big in the booming Forex market.

Following the first section that explains in plain English—what is Forex trading, how money is made in the Forex "game", the six major players involved, and the importance of knowing one's Trader Profile—the second section focuses on specific and practical guidance, which includes:

- A "Trader Profile Test" to help the reader get a clear picture of his natural trading style and which of five trading profiles he belongs to (Scalper, Day Trader, Swing Trader, Position Trader, or Mechanical Trader)
- 17 proven trading strategies (between 2 to 5 strategies for each trader profile) for the reader to immediately start cashing in on the Forex market
- Descriptions of an array of real-world trading scenarios, with tips on how to address them
- A section that shows the reader how to custom-tailor a trading system designed for his sensibilities and risk tolerance
- Forex hedging strategies for finance professionals at multinational corporations
- And much more

Short on theory and long on practical insights and step-by-step guidance, *17 Proven Currency Trading Strategies* is an indispensable working resource for investors and traders of every classification—from retail investors and fund managers, to portfolio managers and institutional investors—looking to expand their trading horizons and win big in the Forex game.

And, whether you're a recent college grad or a baby boomer preparing to retire; a middle manager or business owner; or looking for a reliable second income stream, this book can help you to achieve the financial independence you want and deserve by trading the Forex market, no matter what your life stage, income bracket, or professional standing.

From the Back Cover

"This is an excellent primer for traders at the start of their Forex trading career. I especially like the fact that it is separated into two parts, with Part 1 covering a complete introduction to Forex and Part 2 covering the exact strategies. At the end, Mario provides two invaluable pieces of advice for continued success. Firstly, he provides the five rules a trader must adhere to. Secondly, he sets out the three character attributes a trader

must have. I believe this book deserves a place in your bookshelf."

—Ray Barros, trader, private hedge fund manager, and author of *The Nature of Trends*

"Since I have been investing in international equities for many years, this book was of particular interest. Foreign exchange impacts us all and particularly those of us investing globally. This book gives a fascinating insight into exactly how the Foreign Exchange market, the world's largest, actually works. I was particularly interested in the description of the six major players in the market: central banks, commercial and investment banks, multinational corporations, institutional traders, retail Forex brokers, and retail traders. One particularly fascinating feature in the book is a psychological questionnaire that determines 'What kind of trader are you?' and also deals with trading strategies for various types of traders."

—Mark Mobius, President, Templeton Emerging Markets

"Success! Mario has created a series of powerful, easy-to-use trading strategies that anyone can use regardless of their level of experience. I've had the pleasure of knowing Mario and working with him for years, and there is no better person from which to learn about currency trading. *17 Proven Currency Trading Strategies* gives the reader everything they need to succeed.

—Ed Ponsi, President of FXEducator.com and EdPonsi.com

"Mario Singh is the King of Forex in Asia! He is one of the few people who truly understands the importance of combining fundamentals with technicals and does it extremely well. He is a great friend, and his passion for trading and teaching others comes through clearly. This book is jam-packed with useful trading strategies for all types of traders. You can literally pick up this book and start trading. Well respected throughout Asia, this book will quickly become a staple on the bookshelves of all Forex traders in the region."

—Kathy Lien, CNBC Contributor; Managing Director of FX Strategy, BK Asset Management
