**Enchanted Immortals** By C.J. Pinard

*\*Writing.com's Editor's Pick for April 2013 Fantasy Genre!\**

Thomas never thought he would live this long; he expected the usual lifespan of 60 to 70 years. But one terrifying night in 1946 San Francisco has changed all that; he has now been alive 86 years and still looks 20. He and his associates, Jonathan and Kathryn, have been granted Immortality by a group of sylphs belonging to the Zie Council – lead by their queen, Malina – who possess an elixir called Enchantment. But what they and the rest of the Immortals have to do in order to keep receiving this elixir involves protecting sylphs and humans from the faeworlders – vampires and shapeshifters – who want nothing more than to eat, violate, and kill them. For Jonathan, Thomas, and Kathryn, policing the fae is a dirty job, but somebody has to do it. And the payment is eternally priceless.

Enchanted Immortals is book 1 in the Enchanted Immortals Series

### Editorial Review

#### About the Author

C.J. is a USA Today Bestselling author living in Colorado. Lover of red wine, wearer of fabulous shoes, and a die-hard Niner fan, she's also an editor at heart. She's written over a dozen books and short stories that contain both contemporary/new adult and paranormal romance that are a little bit badass, a little heart-wrenching, and sorta funny (to her, anyway). Almost all of her books usually contain law enforcement or military undertones, since strong, brave, alpha men and women are her weaknesses. When she's not writing, she can be found working at a very strange day job, which may or may not have some mild influences on her gripping stories - so strange, in fact, she may just write a book about it one day.

She's also a proud member of the Romance Writers of America (RWA).
