Peter and the Starcatchers By Ridley Pearson, Dave Barry

Don't even think of starting this book unless you're sitting in a comfortable chair and have lots of time. A fast-paced, impossible-to-put-down adventure awaits as the young orphan Peter and his mates are dispatched to an island ruled by the evil King Zarboff. They set sail aboard the Never Land, a ship carrying a precious and mysterious trunk in its cargo hold-and the journey quickly becomes fraught with excitement and danger. Discover richly developed characters in the sweet but sophisticated Molly, the scary but familiar Black Stache, and the fearless Peter. Treacherous battles with pirates, foreboding thunderstorms at sea, and evocative writing immerse the reader in a story that slowly and finally reveals the secrets and mysteries of the beloved Peter Pan.

Editorial Review

Amazon.com Review

Humorist *Dave Barry* and suspense writer Ridley Pearson have clearly taken great delight in writing a 400-plus page prequel of sorts to Scottish dramatist J.M. Barrie's beloved Peter Pan stories. The result is a fast-paced and fluffy pirate adventure, complete with talking porpoises, stinky rogues, possible cannibals, a flying crocodile, biting mermaids, and a much-sought-after trunk full of magical glowing green "starstuff." Ever hear of Zeus? Michelangelo? Attila the Hun? According to 14-year-old Molly Aster they all derived their powers from starstuff that occasionally falls to Earth from the heavens. On Earth, it is the Starcatchers' job to rush to the scene and collect the starstuff before it falls into the hands of the Others who use its myriad powers for evil.

On board the ship *Never Land*, an orange-haired boy named Peter, the leader of a group of orphaned boys being sent off to work as servants in King Zarboff the Third's court, is puzzled by his shipmate Molly's fantastical story of starstuff, but it inextricably binds him to her. Peter vows to help his new, very pretty friend Molly (a Starcatcher's apprentice) keep a mysterious trunk full of the stuff out of the clutches of the pirate Black Stache, a host of other interested parties, and ultimately King Zarboff the Third.

The downright goofy, modern 8-year-old boy humor sometimes clashes with an old-time pirate sensibility, and the rapid-fire dialogue, while well paced, is far from inventive. Still, the high-seas hijinks and desert-island shenanigans will keep readers turning the pages. Greg Call's wonderful black-and-white illustrations are deliciously old-fashioned and add plenty of atmosphere to a silly, swashbuckling story that shows us how Peter Pan came to fly and why he, and his story, will never get old. (Ages 9 and older) --*Karin Snelson*

From School Library Journal

Grade 5-9—This prequel to *Peter Pan* refers as much to the 1953 animated Disney film as to J. M. Barrie's original play and novel. The early chapters introduce the archetypal antagonists: Peter, leader of a group of orphan boys being sent into slavery aboard the *Never Land*, and Black Stache, a fearsome pirate who commands a villainous crew. New characters include Molly Aster and her father. Molly, at 14, is an apprentice Starcatcher, a secret society formed to keep evildoers from obtaining "starstuff," magic material that falls to earth and conveys happiness, power, increased intelligence, and the ability to fly. Inevitably, the ships wreck off a tropical island and a trunk of starstuff is temporarily lost. Here, readers meet more familiar characters: the mermaids in their lagoon; the indigenous people who live in the jungle (modern versions of Barrie's redskins); and, of course, the crocodile. The authors plait multiple story lines together in short, fast-moving chapters, with the growing friendship between Molly and Peter at the narrative's emotional center. Capitalizing on familiar material, this adventure is carefully crafted to set the stage for Peter's later exploits. This smoothly written page-turner just might send readers back to the original.—*Margaret A. Chang, Massachusetts College of Liberal Arts, North Adams*

Starred Review Gr. 4-7. Barry and Pearson, no strangers to the literary spotlight, offer humor and thrills for a young audience in this prequel to Peter Pan. At sea, unwittingly heading toward a perilous fate in a cruel king's court, Peter and a group of fellow orphans become involved in a plot to steal a mysterious star substance that can make people fly. Teenager Molly, also aboard ship, is one of the Starcatchers, those who want to preserve the integrity of the substance and save it from falling into the wrong hands. Alas, there are evil, grabby hands all around, including those of the cruel pirate Black Stache--though by book's end, Stache

will have only one. It's not so much the story that's good here, though it's a rousing tale, and to the authors' credit, there are explanations for everything found in the classic story--from Peter's inability to grow up to the name Neverland. The real lure is the richly drawn characters, especially the villains, who exhibit just the right amount of swagger and smirk. The pacing is excellent as well. Although this is a long book, very short chapters make it manageable for younger readers, and the nonstop action will keep the pages turning. This deserves the hype. *Ilene Cooper*

Users Review

From reader reviews:

Keith McLeod:

As people who live in the modest era should be revise about what going on or information even knowledge to make these people keep up with the era which is always change and advance. Some of you maybe can update themselves by reading books. It is a good choice for you personally but the problems coming to you is you don't know what kind you should start with. This Peter and the Starcatchers is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Billy Stinson:

Precisely why? Because this Peter and the Starcatchers is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will zap you with the secret this inside. Reading this book adjacent to it was fantastic author who else write the book in such wonderful way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of benefits than the other book possess such as help improving your talent and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the reserve store hurriedly.

Arlene Wilson:

Playing with family in a park, coming to see the coastal world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try issue that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Peter and the Starcatchers, you may enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't have it, oh come on its referred to as reading friends.

John Stewart:

Within this era which is the greater man or who has ability to do something more are more important than other. Do you want to become certainly one of it? It is just simple solution to have that. What you should do is just spending your time little but quite enough to experience a look at some books. One of the books in the top checklist in your reading list will be Peter and the Starcatchers. This book that is certainly qualified as

The Hungry Hills can get you closer in getting precious person. By looking up and review this e-book you can get many advantages.
