### The Art of War (Pocket Edition) (Shambhala Pocket Classics) By Sun Tzu

Compiled more than two thousand years ago by a mysterious warrior-philosopher, *The Art of War* is still perhaps the most prestigious and influential book of strategy in the world today, as eagerly studied in Asia by modern politicians and executives as it has been by military leaders since ancient times. As a study of the anatomy of organizations in conflict, *The Art of War* applies to competition and conflict in general, on every level from the interpersonal to the international. Its aim is invincibility, victory without battle, and unassailable strength through understanding of the physics, politics, and psychology of conflict.

Translated from a standard collection of commentaries on Sun Tzu's text by eleven interpreters, this pocket classic has been edited by Thomas Cleary to bring out the meaning of the principles of strategy.

### Editorial Review

#### Amazon.com Review

Sun Tzu's *Art of War* just got better. *The Illustrated Art of War* enlivens Thomas Cleary's complete translation, including commentaries, with full-color reproductions of paintings and statuary from China and Japan. Talk about martial art--these depictions show full battles scenes, the Chinese god of war, weaponry, processions--even an ancient map. --*Brian Bruya*

#### Review

"Thomas Cleary's translation of Sun Tzu's 2,000-year-old *The Art of War* makes immediately relevant one of the greatest Chinese classical texts. There's not a dated maxim or vague prescription in it. 'To win without fighting is best,' Sun Tzu said. For him, war was coeval with life. Absorb this book, and you can throw out all those contemporary books about management leadership."— *Newsweek*
