### **The Rules of Regret** By Megan Squires

Guys like Torin Westbrook aren't supposed to exist in real life.

When Darby meets Torin as a fellow counselor at the survival camp she impulsively applies to, she's certain his main goal is to turn her world upside down, with his disheveled curly hair, irresistible dimples, and endearingly quirky habit of reciting quotes from classic movies and ancient thinkers.

Darby's not sure she can adapt to Torin's way of viewing his past and the tragedies he's faced. Because she's had her own share of heartache too, and as much as she wants to believe that it's all been for a purpose, she hasn't been able to move on. Yet the more time Darby spends with Torin, the more she longs to break free of her carefully constructed routine and fall into something new.

She's just not sure that she should be falling for Torin along the way.

### Editorial Review

From School Library Journal

Gr 9 Up—Nineteen-year-old Darby is at a loss when her wealthy, handsome, and politically connected boyfriend leaves for a six-week internship in Washington, DC. Darby has attached herself to Troy for the last six years of her life, and their relationship has become Darby's life, her constructed routine, and her concrete future. With Troy gone, Darby is left to find herself, whether she means to or not. To pass the time, Darby finds a job as a counselor at an adventure camp, where she meets Torin, a shaggy, outdoors type who challenges her beyond her comfort level. So ensues a friendship that has the ability to turn Darby's world upside down. Amy McFadden narrates this romance with finesse, taking listeners into the character's thoughts and feelings. Unfortunately, the story, though entertaining, is disappointing, as teens may hope to see Darby discover her independence on her own. Instead, it seems she does so through another boy. Still, fans of this genre will find this work appealing.—Betsy Davison, Cortland Free Library, NY
