### Activities for a Differentiated Classroom Level K By Wendy Conklin

Activities for a Differentiated Classroom is a must-have resource filled with creative and engaging lessons that differentiate instruction to support the learning needs of all kindergarten students. This resource is built on current research and best practices and outlines easy-to-implement differentiation strategies to use across the content areas. Also included are digital resources with teacher templates, sample projects, and rubric assessments for additional teacher assistance. This resource is correlated to College and Career Readiness and other state standards.

#### About Shell Education

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
