Editorial Review

From the Publisher

Pegasus Lectures, Inc. provides ultrasound continuing medical education for physicians, practicing sonographers and beginning students of sonography. Why should you choose Pegasus as your registry preparation resource? We guarantee and care about your success. In 2004, our seminar attendees passed their exams at a rate of 94%. Pegasus Lectures is the only company that offers a PASS GUARANTEE. We are so confident that you will leave our seminars with all of the knowledge you need to pass your certification exam, you may return for a FREE seminar if you do not. Our approach to the material is understandable, memorable and correlated to the work you do on a daily basis. You will be learning the "how and why" of ultrasound from master educators and leading researchers in the field. Our course materials are comprehensive and include full textbooks that help you prepare for your exams but also provide a great reference for future review. Prepare with Pegasus! and pass the first time.

About the Author

Catherine has been active in the field of sonography for over 20 years. She carries ARDMS credentials in breast, abdominal, OB/GYN, cardiac and vascular specialties. SHE participates in management of the Diagnostic Imaging Department of Good Samaritan REgional Medical Center in Corvallis Oregon. As Sonographer Coordinator, she directed the medical center's student program affiliated with Portland Community College. Catherine has lectured both nationally and internationally on a variety of sonography topics. She has authored several book chapters and articles. Catherine served as Regional Director for the SDMS, and has been a member of many SDMS and AIUM committees. She was the SDMS representative to the Breast Ultrasound Summit Conference that discussed matters of breast sonography education, training and certification.

Users Review

From reader reviews:

Marni Elliott:
