## Dark Light (The Dark Light Series Book 1) By S.L. Jennings

Love. Sex. Magic.

Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, love and good sex were virtually a myth.

And then there's magic. Freakin' magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and become what she was truly created to be?

Lucky for Gabs, sexy as sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabs is in way too deep to even try to turn away from him now.

Dark Light, Book 1 of the Dark Light Series, is the raw, emotional story of a young woman's journey of self-discovery in a world that was not meant for her. And her scorching hot, lip-biting addiction for the man she can't deny, no matter the cost.

\*Contains strong adult content.
