It's Ok Not to be a Seventh-Day Adventist By Teresa Beem

This book candidly examines Seventh-day Adventist history and doctrines. Beginning with self-appointed prophet William Miller who convinced over 50,000 New Englanders that in 1844 Christ would come again in fiery judgment. Then the birth of Adventism as those who explained that Miller had misunderstood the prophecy and judgement had begun not on earth but in heaven. The book explores SDA prophetess, Ellen White whose “visions” urge their members to proclaim that in end-times all Christians worshipping on the first day of the week will receive the Mark of the Beast, then hunt down and torture Adventists. The book thoroughly documents the history of Sunday church services to disabuse member’s belief that those who worship on Sunday are disobeying the fourth commandment. Written to lift the wounded Adventist’s eyes to Christ for healing; however pastors, theologians, those with Adventist family, neighbors, colleagues and friends will find this book a treasure in understanding Adventism.
