Review

As a collector of vintage costume jewelry this is a MUST HAVE if your interested in researching and knowing how to identify Juliana, (D &E), Delizza and Elster jewelry. I have several Juliana books and will be using this one for further identification, it contains many I have never seen before and shows a whole other side of what is out there. The photography is exceptional, it is packed with all color shots that you could almost pick up off the page...P.C. Morse
