**Little Haven** By *Meredith O'Reilly, Adaline Raine, Alex Reynolds, Summer Graystone, Normandie Alleman*

Tucked in among the lakes and snowy woods of Minnesota, the tiny community of Little Haven is a place where couples who engage in age play are welcomed. Among its inhabitants are five women—Angela, Claire, Kara, Bailey, and Tabitha—each of whom has a man she knows as her loving daddy.

Little Haven features five brand-new titles from five excellent erotic romance authors. This collection includes:

### Daddy's Little Angela, by Alex Reynolds

Even though her own daddy is always more than ready to spank her bare bottom when she is naughty, Angela sometimes can't help feeling superior to the other women in Little Haven, particularly the ones who act the youngest. But her daddy will not tolerate her being mean to others, and after she makes fun of another girl and hurts her feelings badly, he decides that some very thorough, embarrassing discipline is needed. Angela will be spanked, bathed, made to wear baby clothes, and treated like a very little girl until her daddy is sure that she has learned her lesson.

### Daddy's Little Sweetheart, by Meredith O'Reilly

Claire's life is exactly the way she wants it to be. During the week she's an adult with a full-time job, and on the weekends Jensen is her daddy and she's his little girl, free to relax, play with toys, and cuddle in his arms. But when Claire starts missing meals routinely and coming home from work more stressed than he's ever seen her, Jensen knows that something needs to change, and he decides that Claire needs more than just a weekend as a little. Will Claire trust her daddy's judgment, or will she spend the next ten days with a very sore bottom?

### Brody's Little Brat, by Adaline Raine

When life starts to get out of hand for Kara, her boyfriend, Brody, decides that it is time for him to take charge. She needs a firm but compassionate daddy, and he loves her more than enough to give her exactly what she needs. From now on he will be ready to spank her soundly when her rebellious behavior warrants it, build her up when she is down on herself, and even take her to the town doctor for an exam when she is ill. Kara blossoms under Brody's tender care, but can she

really trust that her daddy will always be there for her?

Bailey's Little Adventure, by Summer Graystone

Bailey loves role-playing as daddy's naughty little girl, and nothing is more fun than dressing like a teen and bratting her husband, who is always ready to punish her properly before pleasuring her more than she would have thought possible. When she discovers that he would like to tie her up so that she is completely vulnerable and at his mercy, she trusts him to keep her safe, even when he pushes her past her comfort zone. But when she makes a mistake in real life that disappoints her daddy, can she trust that he will be there for her no matter what?

Daddy Knows Best, by Normandie Alleman

Career woman Tabitha is less than excited when her boyfriend, Neal, insists that she take a break from her high-stress job in Chicago and move with him to Little Haven. Despite her initial disdain for the town, Tabitha eventually begins to find a place for herself in her new community, and Neal's increasing dominance in the bedroom leaves her longing for more. But she's been keeping an important secret from him about her job back in the city. When he discovers the truth, will it tear them apart or will Neal be able to forgive his little girl?

Publisher's Note: Little Haven contains spankings, sexual scenes, age play, elements of BDSM, and more. If such material offends you, please don't buy this book.
