I have three of the mom's journals , Homeschooling Handbook for moms, Coffee Time Quiet Time Journal, and this one The MOM's Fun-Schooling Handbook. I am a visual learner and I love to color in the adult coloring books. So I really enjoy the coloring pages. This book gives advice about creating fun-schooling baskets along with pictures of prepared baskets for those of us who need the pictures to fully "get" the idea. As well as making a mom-time basket. Before getting these journals I had never thought about a mom basket or making one but I have done it and I love my mom basket. Seeing my mom basket has helped me to remember to at least try and make time to sit down and use my basket. I'm working on sitting down with my kids and working in my book while they work in theirs. Through out the book there are quotes from other homeschooling moms which I love to read and find very inspiring. I have only been working in this book for about a week but I truly enjoy it and think I will continue as it really gets me thinking about my home and my homeschool as I journal my thoughts and color.
