Obstetrícia (Portuguese Edition) By Antonio Fernandes Moron, Luiz Camano, Luiz (eds.) Kulay Júnior

A Obstetrícia envolve um conjunto de cuidados dedicados à mulher e a sua família, permitindo que se faça o planejamento adequado da gestação, do parto e puerpério, por meio de procedimentos padronizados e de qualidade, resguardando a saúde materna e fetal durante todo o processo.

Organizada em oito partes, com 143 capítulos, esta obra completa descreve em detalhes os aspectos fisiológicos da gestação, as diversas intercorrências clínicas e ginecológicas, as patologias obstétricas, todos os cuidados e técnicas envolvidos na assistência ao parto, as características e os avanços da medicina fetal, a assistência ao recém-nascido, os aspectos sociais e profissionais relacionados à obstetrícia, além de expor ao leitor os principais parâmetros nutricionais, hepáticos, hematológicos, hormonais, ultrassonográficos, entre outros, que servem de referência para a atuação do obstetra.

Dessa forma, a presente obra busca atender as necessidades de ensino e assistência vinculadas ao sistema de saúde brasileiro e servir de fonte de consulta a todos os profissionais que lidam direta ou indiretamente com o cuidado da saúde materna e perinatal. Elaborado por renomados profissionais da especialidade, este compêndio pretende colaborar para a consolidação de um sistema de saúde justo e de melhor qualidade, acessível a todas as mulheres e crianças deste país.

Editorial Review

Users Review

From reader reviews:

Ruth Barnett:

Here thing why this specific Obstetrícia (Portuguese Edition) are different and reliable to be yours. First of all reading through a book is good but it depends in the content of it which is the content is as delightful as food or not. Obstetrícia (Portuguese Edition) giving you information deeper and different ways, you can find any e-book out there but there is no publication that similar with Obstetrícia (Portuguese Edition). It gives you thrill reading journey, its open up your own eyes about the thing that happened in the world which is possibly can be happened around you. You can easily bring everywhere like in playground, café, or even in your means home by train. Should you be having difficulties in bringing the printed book maybe the form of Obstetrícia (Portuguese Edition) in e-book can be your choice.

Joyce Matchett:

Spent a free the perfect time to be fun activity to do! A lot of people spent their down time with their family, or all their friends. Usually they doing activity like watching television, about to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Will you something different to fill your personal free time/ holiday? Could be reading a book is usually option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the reserve untitled Obstetrícia (Portuguese Edition) can be fine book to read. May be it is usually best activity to you.

Will Cathcart:

The reason why? Because this Obstetrícia (Portuguese Edition) is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will surprise you with the secret it inside. Reading this book close to it was fantastic author who have write the book in such incredible way makes the content on the inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I were you I will go to the book store hurriedly.

Kaye Hensley:

Do you have something that you enjoy such as book? The e-book lovers usually prefer to choose book like

comic, short story and the biggest the first is novel. Now, why not trying *Obstetrícia* (Portuguese Edition) that give your enjoyment preference will be satisfied by reading this book. Reading habit all over the world can be said as the way for people to know world far better then how they react when it comes to the world. It can't be mentioned constantly that reading practice only for the geeky person but for all of you who wants to always be success person. So , for all you who want to start examining as your good habit, you could pick *Obstetrícia* (Portuguese Edition) become your own personal starter.
