### Rasputin and The Jews: A Reversal of History By Delin Colón

This book is a well-documented account of Rasputin as a healer, equal rights activist and man of God, and why he was so vilified by the aristocracy that their vicious rumors became accepted as history. For nearly a century, Grigory Rasputin, spiritual advisor to Russia's last Tsar and Tsarina, has been unjustly maligned simply because history is written by the politically powerful and not by the common man. A wealth of evidence shows that Rasputin was discredited by a fanatically anti-Semitic Russian society, for advocating equal rights for the severely oppressed Jewish population, as well as for promoting peace in a pro-war era. Testimony by his friends and enemies, from all social strata, provides a picture of a spiritual man who hated bigotry, inequity and violence. The author is the great-great niece of Aron Simanovitch, Rasputin's Jewish secretary.

Rabbi Joshua Chasan says: "The historian John Lukas speaks of history as the remembered past. Delin Colón characterizes her book *Rasputin and the Jews* as *A Reversal of History*. What she attempts to do is correct the widely held view of Rasputin as an evil man who committed the worst debaucheries, substituting instead a view of Rasputin as a humanitarian, a courageous defender of Jews and other people vulnerable in pre-revolutionary Russia. She identifies the sources of the negative views of Rasputin, making a good case for the need for us to see that there are a lot of ways of remembering the past.

At a time when George Orwell's prophesy of the world of 1984 rings very true, Ms. Colón does us all a great service in showing how false stories take on the face of truth and become our understanding of the history of a certain time and place. Aside from being a good read and an important contribution to Russian and Jewish history, *Rasputin and the Jews* prompts the reader to delve into her or his own personal memories, to consider and reconsider how they were shaped, why, and even by whom?"

### Editorial Review

#### Review

Delin Colón "bashes the popular notion of the infamous Russian mystic Grigori Rasputin as an influential anti-Semitic, power-hungry conniver in the final years of the Russian Romanov dynasty." --The Baltimore Jewish Times - Neil Rubin

"Colón has put forth the notion that Rasputin's advocacy on behalf of the country's Jews contributed to his demise." --The Jewish Literary Review - Steve Pollak

"Almost every day, I am privileged to hear from authors who call my attention to their newly-published books. But none of them claimed my attention quite as forcefully as Delin Colón, author of *Rasputin and the Jews: A Reversal of History*." --- JewishJournal.com - Jonathan Kirsch

"Mrs. Colón's dissertation is a brief but well-written exposition on a historical figure who was both maligned and misunderstood when it comes to written Jewish and Russian history." -- New York Journal of Books -- Charles Weinblatt, reviewer and author of "Jacob's Courage".

"This book becomes a short course on revolutionary Russian history and gets gold stars as an example of a well-produced self-published book." -- Diana Brement, JTNews columnist

### Users Review

#### From reader reviews:

##### Nicole Marcil:
