**Temple Talks about Autism and Sensory Issues: The World's Leading Expert on Autism Shares Her Advice and Experiences (Temple Talks about . . .)** By Dr. Temple Grandin

Dr. Temple Grandin is a doctor of animal science, a professor at Colorado State University, a best-selling author, an autism activist, and a consultant on animal behavior. She also invented the "hug box", a device to calm the sensory systems of those on the autism spectrum. The subject of an award-winning, 2010 biographical film, Temple Grandin, she also was listed in the Time 100 list of the one hundred most influential people in the world in the "Heroes" category.

Have you even wanted to talk to Temple about the sensory issues people with autism, Asperger's, PDD and Sensory Processing Disorder deal with? Here, in this handy reference book, Temple gives a overview of what it is like to have autism and sensory difficulties, tells how she overcame her sensory issues, gives useful tips, then answers your questions in an easy to reference Q&A.

### **Editorial Review**

#### **Review**

As a special needs teacher I found the pocket guide incredibly helpful. It covers a wide variety of content including behaviors and learning, social skills, anger management, desensitization to loud sounds, sensory development, the autism brain, and even careers for adults with autism. I am very familiar with Dr. Temple Grandin's other books, and this is essentially a condensed sampling from them, but this one I keep in my desk for quick access.
