## The Constitution of the United States of America: And Selected Writings of the Founding Fathers By Various Authors

This leatherbound collection of classic works traces the founding of America, from the birth of the nation in the late 1760s to the creation of a more perfect union at the end of the early 1800s. It celebrates the pursuit of life, liberty and justice and the freedoms that define America through notable documents as well as significant pieces, writings and speeches by famous figures and the founding fathers commenting on historic events. This volume includes the full texts of "On Civil War" by Benjamin Franklin, "Common Sense" by Thomas Paine, "The Declaration of Independence" and many more. A beautiful addition to any home library, the bonded-leather edition also features a satin-ribbon bookmark, distinctive stained edging, and decorative endpapers.
